EDUCATION

B Tech, Computer Science and Engineering GYAN GANGA INSTITUTE OF TECHNOLOGY AND SCIENCE, JABALPUR

07/2019 - 05/2023

CGPA - 8.8

CBSE CLASS XII

CHRIST CHURCH GIRLS' SENIOR SECONDARY SCHOOL, JABALPUR

04/2018 - 03/2019

PROJECTS

Unbounded

- Description: Developed a web application focused on enhancing women's safety and security using Java, along with various technologies. The application provides features such as emergency alert, location tracking, and resources for self-defense. Its primary goal is to empower women and provide them with tools to ensure their safety in various situations.
- Role: Designing the user interface using HTML, CSS, and JavaScript to create an intuitive and responsive experience for users while collaborating with the team to define the project requirements and identify the core functionalities of the web application. I have also documented the development process, including architecture, design decisions, and implementation details
- Technologies Used: Java, MySQL, HTML/CSS, JavaScript, Git (Version Control) , JUnit(Unit Testing)

wE-Vote

- Description: Developed a secure and efficient e-voting system using PHP and MySQL. The system enables voters to securely cast their votes online and ensures the integrity and confidentiality of the voting process. It includes features such as user authentication, candidate selection, and result generation.
- Role: Developing the front-end interface using HTML, CSS, and JavaScript to provide an intuitive and user-friendly voting experience also collaborating with the team to integrate the different modules of the system and ensure smooth functionality
- Technologies Used: PHP, MySQL, JavaScript, HTML/CSS, Git(Version Control), JUnit(Unit Testing)

SKILLS

Programming Languages: Java, C++

Web Development: HTML/CSS/JavaScript

Database : MySQL

Software Tool: Git, Visual Studio Code

Subjects: Object Oriented Programing,
Operating System, Data Structures

CERTIFICATES

Introduction to Java - Sololearn

Introduction to JavaScript - Sololearn

MySQL Basics - Great Learning

Programming Essentials in C++ - Cisco

LANGUAGES

ENGLISH

Full Professional Proficiency

HINDI

Full Professional Proficiency

INTERESTS

Creative Pursuits: Painting and photography

Volunteering: Engage in various activities, such as fundraising events and community service projects.
